

SECOND SEMESTER 2020-21
Course Handout (Part -II)

Date: 12/1/2021

In addition to Part- I (General Handout for all courses appended to the time table) this portion gives further specific details regarding the course.

Course No. : PHA F367
Course Title : Laboratory Project
Instructor-in-charge : Hemant R Jadhav

1. Scope and Objective of the course:

The course is specially designed to provide an opportunity to the students for development of their academic skills and logical thinking through open ended lab oriented activities. This course includes projects involving laboratory investigation or laboratory development in the student's discipline or interdisciplinary areas. As a part of education, this project course follows a method of learning and therefore, the student's actual day-to-day task involvement would constitute the central thread of the learning process. The evaluation will recognize this aspect by demanding day-to-day productivity and punctuality of the student.

2. Plan of Work:

The plan of work for each student will be decided by the respective Instructors. Each student should adhere to the plan of work decided for and should regularly monitor the progress of the project accordingly.

Students who do not meet the Instructors for more than 10 days at a stretch without genuine reasons (as will be decided by the assigned Instructor), may not clear the course.

4. Mid-semester grading:

Mid-semester grading will be done after mid-semester seminar.

5. Grading Procedure:

In addition to what is mentioned in Part I of the handout, the grading will be done mainly on the basis of the progress made towards attainment of the project objectives and will recognize that each Instructor has given specific task situation in which the student participates in a cognitive manner. **Thus each Instructor will**

recommend a grade for his student for the consideration of the Instructor-in-charge. In a specialized course of this nature the respective Instructor's assessment of the student vis-a-vis the objective of the project would be the central criteria for arriving at final grade.

6. General:

It is the student's responsibility to ensure:

- Continuous interaction with the Instructor.
- Work to the satisfaction of the Instructor.
- Adherence to plan of work.
- Evaluation(s) to be completed by the due date and evaluation marks are communicated to the Instructor-in-charge by due date.

7. Notices:

All notices pertaining to this course will be put up on the Notice Boards of Pharmacy Department.

8. Project Report:

The project report shall be submitted to your Instructor.
